### RICS FOUNDATION SUPPORTS:

- **Teaching for Excellence (TFE):** TFE is a nationally based program that brings creative learning strategies to RICS classrooms that are student centric.
- **Advancement via Individual Determination (AVID):** AVID is a disciplined classroom structure designed to prepare students that are traditionally underrepresented in higher education for success in high school, college and career. Students are selected for the program based on an application and interview process.
- **Global Citizenship:** programs designed to support experiences outside of the traditional classroom for students to develop a global mindset.
- **Career Fair:** Held every March, 80+ businesses spend the morning with every Riverwood student sharing career information, as well as internships and jobs.
- **International Fair:** held in the Spring to showcase International cultures, food, art, dance and music.
