

**Riverwood
International
Charter HS
STRATEGIC
PLAN**

**Long-Term
Outcomes**

- 1. Increase student engagement in school community & culture*
- 2. Increase student performance across all academic areas*
- 3. Increase student experience in culture & knowledge*

Focus Area #1

**Climate
&
Culture**

Short-Term Goals

1. To create a school where all students and adults feel respected
2. To support an atmosphere where students and adults are held to high expectations for academic performance
3. To develop an atmosphere where stakeholders own the success of the school and are committed to overall school improvement.

Strategic Initiatives

1. Support teachers with strategies in managing effective classrooms that support student achievement and academic integrity
2. Implement multiple communications methods to engage all stakeholders

Focus Area #2

**Instructional
Strategies**

Short-Term Goals

1. Expand opportunities to support engaging, rigorous instruction for all students
2. Expand and support opportunities for teachers to share, collaborate, and support each other in their professional growth

3. Develop and implement rigorous instructional strategies through:
 - Professional Learning Communities
 - Professional Development
 - Personalized Learning
4. Implement specialized strategies for students who are at risk

Focus Area #3

**International
Mindedness &
Citizenship**

Short-Term Goals

1. Increase student exposure to various cultures and beliefs
2. Increase student understanding of global perspectives and viewpoints
3. Increase participation in community projects

5. Develop consistent support and strategies for experiential learning that focuses on international mindedness, citizenship, and global awareness of staff and students.
6. Use a collaborative approach to repurpose the Magnet Program
